

Program Schedule

Saturday, August 5th

10am Junior Explorer program - "Junior Explorer Nature Journal"-Join Ranger Morgyn at the [Day Use Area at Hyatt Lake Campground](#) anytime from 10am-12pm to create your own nature journal! Use your journal to sketch and observe some of the natural wonders of CSNM and earn your junior explorer badge.

2pm Guided Walk - "Meet the Trees of the Monument - A Hint of High Desert"- Ranger Becky will take you on a tour of the trees found along the trek up to [Pilot Rock](#) (1.25 miles one way). During this moderate to difficult hike, see how the Great Basin encroaches on parts of this conifer forest.

8pm Evening Program - "The Monument's Mountains and Springs"- Learn about the CSNM's geologic and hydrologic history with Ranger Becky. BYOC - please bring your own chair to the [beach of the Day Use Area at Hyatt Lake Campground](#).

Sunday, August 6th

10am Guided Walk - "Putting the Puzzle Together" - Go with Ranger Morgyn on a 1.5 mile hike (one way) to the top of [Hobart Bluff](#). Explore the natural history of the Cascade-Siskiyou National Monument and the biodiversity of this unique place.

10am Junior Explorer Program - "Plant Diversity Discovery" - Join Ranger Elizabeth for a plant scavenger hunt anytime between 10am-12pm! Learn about the difference between invasive and native species and identify plants of the Cascade-Siskiyou National Monument to earn your Junior Explorer badge! Meet at the [Day Use Area beach of Hyatt Lake CG](#).

2pm Guided Walk - "Meet the Trees of the Monument - From Shade to Sun"- Take an easy 1 mile hike (one way) with Ranger Becky to see which trees create dense shaded forests to those which grow in open dry meadows. Meet outside of Hyatt Lake CG at the [PCT intersection on E. Hyatt Lake Rd](#).

Program Schedule

Saturday, August 12th

10am Junior Explorer program - "Plant Diversity Discovery" - Join Ranger Elizabeth for a plant scavenger hunt anytime between 10am-12pm! Learn about the difference between invasive and native species and identify plants of the Cascade-Siskiyou National Monument to earn your Junior Explorer badge! Meet at the [Day Use Area beach of Hyatt Lake CG](#).

2pm Guided Walk - "Meet the Trees of the Monument - Forest Transitions"- Walk with Ranger Becky on the easy [Green Springs Mountain Loop Trail](#) for 1 mile (one way) to a viewpoint. See how a transitioning fire forest and snow forest shifts to the drier oak savanna and chaparral.

8pm Evening Program - "Creatures of the Night" - Join Ranger Morgyn for a talk about the bats of the Cascade-Siskiyou National Monument. BYOC - Please bring your own chair to the beach of the [Day Use Area at the Hyatt Lake Campground](#).

Sunday, August 13th
